

CorporateCircle
2024

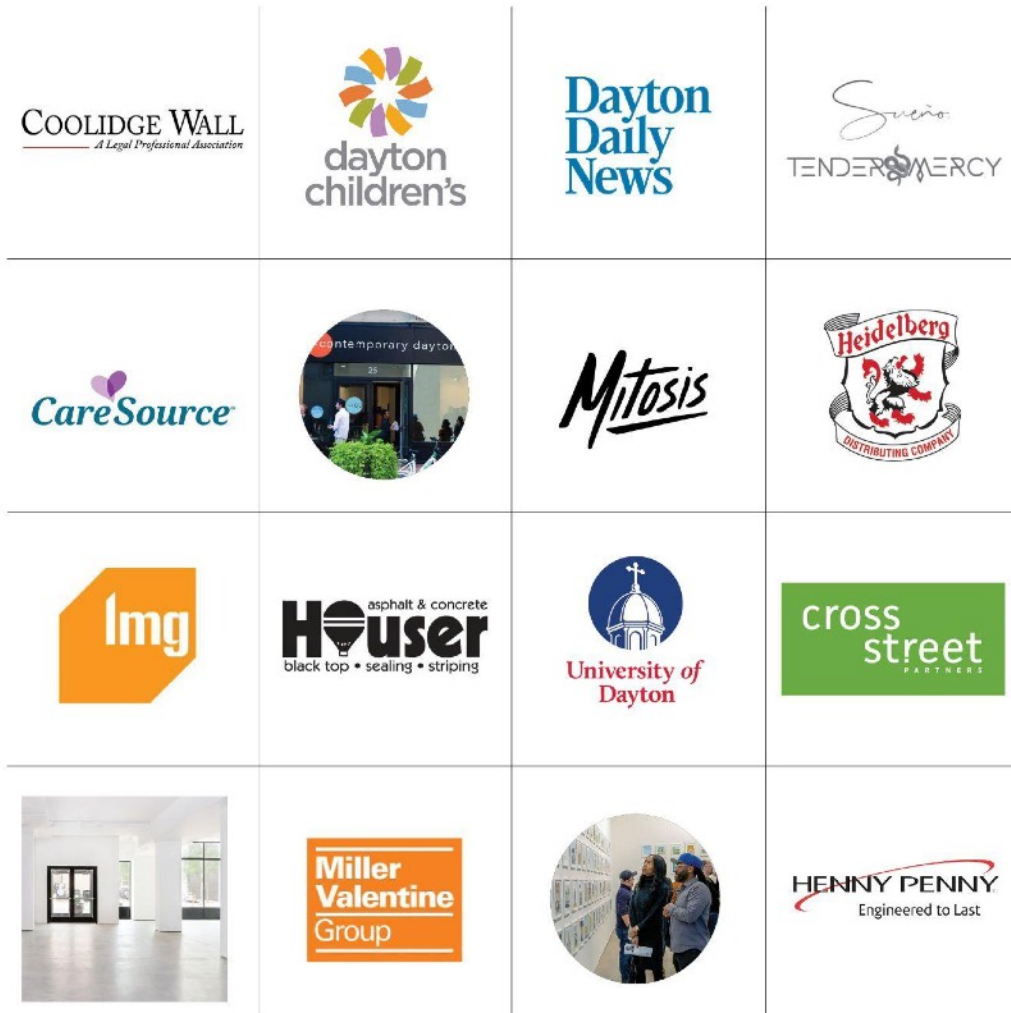

What sets The Contemporary Dayton apart is not just that we present:

- ✓ ART EXHIBITIONS
- ✓ ARTIST TALKS
- ✓ & PUBLIC ART

but our unique approach to:

ADVOCATING for artists and their creative & professional endeavors

We know that by partnering with our corporate and for-profit business leaders, we can elevate our arts community to new heights and create a lasting legacy together.

Our roster of corporate/for-profit partners since 2020 that have supported The Co and the artists for which we advocate.

However, in our post-Pandemic world of rising costs and tightening individual donations, corporate support is more important than ever.

Despite the difficulty of the moment, our vision remains steadfast and ambitious: to help build a strong community through shared connections to arts and culture that attracts high quality talent to the area.

Will you join us?
